RENO'S RECRUITING ROUNDTABLE

Hosted by EDAWN

The Reno Recruiting Roundtable is a monthly forum to get help with hard-to-fill positions, share dual career candidates, discuss best practices, and stay updated on local issues relevant to your ability to attract talent.

The meeting is ideal for front-line recruiters and hiring managers. Participants apply for the Recruiting Roundtable [here](#) and should mark calendars for the meetings. A calendar hold and agenda are sent the week prior to each meeting.

EDAWN is hosting because meeting the needs of our employers strengthens the economic growth of our region which is core to our mission. The more engagement we get, the better informed we all are.
